

Clean Earth Solutions is an environmental firm focusing on the education, prevention and remediation of various types of contamination. The scope of services offered by *Clean Earth Solutions* fall under two major headings. These headings are “Products” and “Services”. Under each individual heading are specific areas of expertise that provide our customers with comprehensive programs to prevent, identify, and eliminate contamination liabilities and responsibilities. At *Clean Earth Solutions*, we begin each project analytically, work through it diligently, and finish it to our own high standards, as well as our clients complete satisfaction.

STORM WATER BASINS

Clean Earth Solutions is the industry leader in Storm Water BMPs (Best Management Practices) restoration repair and management. Proper maintenance and monitoring of these BMPs is not only the sensible thing to do, but it’s also THE LAW! These BMPs are regulated by local, state and federal law. BMPs not maintained properly are also subject to **finest imposed on the owners of up to \$ 25,000.00 per day!**

Clean Earth Solutions has the products, the experience and the knowledge to protect the owners of BMPs from this type of violations. *Clean Earth Solutions* specializes in restoration, repair and maintenance of all types of storm water BMPs and is available to answer any questions or concerns regarding BMP compliance.

Call *Clean Earth Solutions* for an inspection or consultation on any BMP system and find out how we can save you time and money with your storm water treatment !
